WLBC 2026-2027 Sailing Season Program

Welcome to the new sailing year.

The WLBC will be running pointscore, handicap and sprint series, as scheduled in the following program. In the pointscore & sprint races, all boats in a division start together, and results are determined using the Australian yardstick system. In the handicap-start series, each skipper and boat combination are assigned a handicap before each race, which is calculated so that the fleet finish all together.

Please review the Sailing Instructions at <https://wlbc.org.au/club-members-documents/sailing-instructions-2026-2027/> for detailed information regarding the planned conduct of our races.

We plan to have alternating weekends for handicap and pointscore races.

A \$10 per day fee is required from each skipper to assist with club costs.

The WLBC has club dinghies available for hire to club members. Each boat may be booked by contacting our secretary, Todd Helton or Vice Commodore, Tony Hastings.

Could those members unable to carry out their Officer of the Day (OOD) duties please arrange a swap and please contact the Events Coordinator, Rob Morton? Could the OOD please read the OOD duty sheets at <https://wlbc.org.au/club-members-documents/> to familiarise yourself with the tasks you need to perform to ensure the smooth running of the race?

At the end of each day, the officer of the day will attempt to present the race results. Cold drinks and maybe some light snacks will be available for purchase.

The WLBC meetings will generally be held on the second Saturday of each month, after sailing. All are encouraged to attend. These dates are marked with an asterisk on the schedule.

Please check our website for more details and information.
